Art Smart Workshops
20th Century Pop Art
with Cheryl Frey Richards

Tuesday, April 20, 6 pm Grades K - 2
Thursday, April 22, 6 pm Grades 3 - 5

The British invasion came to America in the 1960’s through many means. One of these was the new art style called “Pop Art”. New York artist Andy Warhol made this popular art style famous in America.

These workshops will focus on Warhol’s serigraph style of mass production of modern images. The children will create their own serigraph stencil and silkscreen it on to paper in the style that made Pop Art so famous in the United States.

District residents may register beginning Thursday, April 8 at 10 am & 7 pm.
