POLICY 003
FREEDOM OF INFORMATION

1. Definitions
The definitions contained in Public Officers Law sections 84-90 [Freedom of Information Law] shall apply to, and govern, this policy.

2. Access to Records
All records within the intent and meaning of Public Officers Law Sections 86 [4] and 87 [2], and subject to the limitations and conditions specified therein and in Section 89 thereof, will be available for public inspection and copying. Such records will be available at the Administration Office of the Hewlett-Woodmere Public Library, 1125 Broadway, Hewlett, New York 11557, between the hours of 9:00 a.m. to 5:00 p.m. Monday through Friday. Records may be obtained from the Library Director or his/her authorized designee.

3. Procedures for Obtaining Inspections and/or Copies of Records
Any person seeking to inspect and/or copy records available pursuant to Public Officers Law referenced above will make a written request, to the HWPL Director at the address in Section II using a form available at the location listed in Section II. Such requests must contain a reasonable description of the record sought, and the Library’s response to the request “shall be reasonable under the circumstances of the request.” Within five [5] business days of receipt of the written request, the HWPL will grant the request and make such record available for inspection to the person requesting it, or will deny the request in written acknowledgment of the receipt of the request, or will grant the request and, if the request requires extensive searching or copying, will inform the requester that more time is needed.

When a request is granted but the HWPL is unable to provide the materials within 20 business days, the requester will be provided, within that time, with a written explanation for the delay accompanied by a date by which the materials will be furnished. If the library fails to do either, then the request is considered to be automatically denied, and the requester may issue an immediate appeal.

Nothing herein contained shall give any person the right to remove a record from the supervision and control of the HWPL Director.

4. Appeal in the Event of a Denial of Access
A person denied access to a record or records may appeal such denial in writing to the HWPL Director within thirty [30] days of the date of the denial. If the Director further denies access, the reasons shall be detailed in writing to the person denied access within seven [7] business days of the date of the appeal. Such denial will be subject to review by the Board of Trustees of the HWPL. The Director will forward the appeal and the reasons for denial to the Board of Trustees in sufficient time that it may be reviewed at the next regular Board meeting.

5. Fees for Copies of Records
If copies of records are desired, the requester will pay a fee of twenty-five cents [$.25] per photocopy not in excess of nine inches by fourteen inches. Such fee will be paid in cash or certified or bank check made payable to the HWPL, and it will be paid in advance of the preparation of the copies.

Fees for photocopies of any records larger than nine inches by fourteen inches, which can be photocopied by the HWPL, will be the greater of either the actual cost of reproduction or twenty-five cents [$.25] per photocopy. Such fee will be paid in advance in cash or certified or bank check made payable to the HWPL.

Fees for photocopies of any records which cannot be photocopied by HWPL shall be the actual cost of reproduction, including time and travel expenses of HWPL personnel required to carry such documents to another location for copying, all payable in advance, in cash or certified or bank check made payable to the HWPL.
